## A.E.J. Fulford Trust Directions for Applicants

1. Please include a complete budget for the proposed project. This should show sources of guaranteed revenue and assistance applied for but not yet granted.
2. Please make clear the exact use of the proposed Fulford grant.  
Example: Bursaries to students at a choir school.
3. Please give estimated number of persons attending and /or participating in the event.
4. Please note, the following policies have been passed by the Fulford Trust Advisory Committee:

“That the committee favour only tours and choir exchanges which are within Canada and within a reasonable distance and at a cost which has been substantially raised locally.” Tours outside Canada will be considered only after all other applications have been considered and awards granted based on funds available.

“Applications for educational training outside Canada, be considered providing the applicant returns to Canada to contribute to Church music for a minimum of at least two years.”
