## HELPING KIDS WITH HOMEWORK AFTER SCHOOL

---

The Anglican Foundation of Canada is responding to one of Vision 2019 Marks of Mission: “To respond to human need by loving service” with the establishment of a **KIDS HELPING KIDS FUND.**

# HELPING KIDS WITH HOMEWORK AFTER SCHOOL

---

Many kids in Canada have trouble with homework with no one at home to help them. Homework helps students retain new information and explore a subject more fully than the classroom permits.

Many Anglican Churches provide after-school homework clubs in a supportive learning environment. Homework clubs encourage kids to enjoy study and learning.

**YOUR DONATION WILL GIVE OUR  
CHILDREN A BETTER CHANCE TO  
BUILD THEIR FUTURE THROUGH  
EDUCATION.**

Other programs supported by the Kids Helping Kids Fund:

- caring for kids with a terminal diagnosis
- giving kids a chance to go to summer camp or choir school
- providing kids a nutritious breakfast before school
