

HOW TO DONATE

The Anglican Foundation of Canada was established in 1957 to ensure that the church's ministry and missions would thrive for generations to come. Now 60 years later, this foresight has been honoured by a legacy of grants that have had a tangible and measureable impact on Canadian parishes and individual lives.

Donors to the Foundation have helped make possible church construction and renovation, theological education, programs in Canada's North, community outreach, and many other vital ministries.

Giving to the Anglican Foundation is a unique chance to be part of things that really matter to the Canadian church.
